

**Application for Consideration
Scholarship for the Advancement of the Human Condition
Akamai University**

NAME OF STUDENT	

STUDENT INFORMATION	
DEGREE LEVEL	
MAJOR FIELD OF STUDY	

PROPOSED TOPIC OF RESEARCH		
<p>Please provide a brief narrative discussion of your interests for research. Should you be selected for the Scholarship Award, this information will provide a basis for the assignment of your faculty advisor for the Research Assistantship. It is best to list the main topics for research, the primary research questions, the research method, the target audience, and the geographic focus of your work.</p>		
<p>By my signature below, I request consideration for a Research Scholarship for the Advancement of the Human Condition, as a condition for my acceptance at Akamai University. This signed form is submitted together with my complete Application for Admissions. If granted admission to the University, the Research Assistantship will be automatically approved and a faculty supervisor appointed to guide the establishment and provide oversight for your research project.</p>
